EEO PUBLIC FILE REPORT

Filed Date: **OCTOBER 1, 2002**

Central Educational Broadcasting, Inc., having made a reasonable, good faith assessment that it is a religious broadcaster under the criteria set forth in §73.2080(a) of the Commission's Equal Employment Opportunity (EEO) Rule, has attested before the FCC that it has adopted religious belief or affiliation as a job qualification for all of its full-time employment positions. Accordingly, Central Educational Broadcasting, Inc. understands that it is exempt from complying with the FCC's specific recruitment requirements set forth in §73.2080(b)-(d) and in the Commission's Report and Order in MM Dockets 96-16 and 98-204, and in lieu thereof, makes reasonable good faith efforts to recruit widely for full-time job vacancies from among those individuals who share its religious belief or affiliation.

Pursuant to 47 CFR 73.2080 Central Educational Broadcasting offers the following report concerning our Equal Employment Opportunities efforts during the 12 month period prior to this report.

During the past 12 months, no full time job vacancies occurred. No full time positions were added, and no full or part time hires were made.

Seven full-time staff were employed during this period, unchanged from the previous year.

Respectfully submitted,

Jon Hamilton
Vice President
